U.A. Whitaker College of Engineering at Florida Gulf Coast University

HEC STEM Scholars Engineering Forum

U.A. Whitaker College of Engineering (WCE) invites HEC STEM Scholar Students to join us for our Engineering Design Challenge Forum! This one-day forum will introduce students to engineering with the engineering design process.

Date/Time: Saturday, October 13th, 2018 from 8:30 am – 4:00 pm

Activities:

- *Participate in rotating hands-on challenges in Bioengineering, Civil Engineering, Environmental Engineering, & Software Engineering*
- *Learn about the engineering program at FGCU and the engineering design process*
- *Hear from current students about their engineering experiences at FGCU*

STUDENTS: SEE YOUR STEM MENTOR TEACHER TO SIGN UP

Engineering Programs at FGCU:

- *Bioengineering*
- *Civil Engineering*
- *Environmental Engineering*
- *Software Engineering*
